Re: Endorsement of NextGen Skills Foundation and Shan-Phill Training

I am pleased to endorse **NextGen Skills Foundation and Shan-Phill Training** as service providers for the delivery of CVQ training programmes to our students.

Corinth Secondary School has previously partnered with these organizations, and our experience was positive. They demonstrated professionalism in the delivery of the programme, provided quality instruction, and offered valuable support to our students throughout the training process. As a result, our students successfully completed their CVQ programme and benefited from the knowledge and practical skills gained.

Based on our previous experience, we are confident in their ability to continue providing high-quality training and effectively preparing students for certification and future employment opportunities.

We therefore fully support and endorse **NextGen Skills Foundation and Shan-Phill Training** to provide these training services to our students.

Should you require any additional information, please do not hesitate to contact the school.

Yours faithfully,

CWF
